

# SELF-EVIDENT MINISTRY

*Reaching the nation one soul at a time...*

*Merry Christmas!!!!*

Can you believe that it has been **2 years** since we felt the call to start Self-Evident? We want to **THANK YOU** for your prayers, council, and support, to help us stay focused on reaching souls. We can't begin to thank you enough! Its been a year of ups (many of them), downs (the ups outweigh them), and growth. If you'd take a few minuets to read, we pray that you are filled with joy at all that Christ has done through Self-Evident, and also filled with joy to know that your help has allowed us to give courage to others to walk into own ministry.

## 2017. A YEAR OF FIRSTS!

Many of you know the miraculous things that happened throughout our 2017 journey. God opened many new doors for us, making it a year of firsts. We have experienced new aspects of ministry at each event, from seeing God bring healings and salvations, to restoring relationships, to seeing God powerfully confirm callings in peoples lives. Here are just a few of the "firsts" we experienced this past year:

- Our first 3 Colleges in January
- Spoke at our first Home-School convention
- Spoke at our first Mens Conference
- Preached at our first Spanish Church
- Spoke to business leaders in our first Rotary Club
- Spoke for the first time at the Capitol in Washington D.C.
- Our first entire summer on the road
- First time ministering overseas together in Guatemala
- **First time flipping a truck and trailer...LOL!!!** 😊

# VISION FOR 2018

God has given us some clear direction and vision for 2018. We are believing God will expand our reach, expand our message, and expand the ministering that happens for people through Self-Evident.

\*\*\*Our vision is to expand our reach into **5 new states** in 2018. While we are still very passionate about the Biblical view of Government, we also know God is burdening our hearts to preach ***the simple gospel message and minister to people in that fashion as well***. Massey has been asked to come to NC to preach at a 3 day revival in January.

\*\*\* Another portion of the vision will be doing **5 different youth events per quarter** and **Massey will also be a volunteer Campus Pastor** 2 days a week at Barnabas Christian Academy in Port St Lucie, FL. We are constantly in contact with schools, colleges, youth groups, youth conferences, etc. and the #1 struggle we hear about having Massey come in and minister is “we just don’t have funding for any type of speakers fee”. Please note, we have never turned down a youth event for this reason. However it does make is hard to cover our travel and production costs.

**“I saw Massey speak twice at my college campus. His speech was wildly thought provoking! I learned more about God’s role in our government, then I have learned in my entire life. I learned that we need to base our morals from the Bible to serve the people and I never knew that before seeing him speak.”**

**“Hi Massey. I was the teenage boy in the back with the white shirt and hat. I wanted to tell you that you did really good tonight. I have been struggling this past week and towards the end of you message you were preaching about what I was struggling with. I’ve never really heard God talk to me, but tonight I could hear him talk to me for the first time. I want to be the leader god has called me to be, I want to tell others about God, but I feel like I can’t be that leader if I’m doing the things I preach against. Thank you for preaching tonight, and please continue to pray for me. ”**

\*\*\*We also feel God has burdened our heart to come out with a line of Self-Evident product.

### *A word from Vice-President, Cariann Campos.*

When I was in middle school I grew an obsession to shirts that had cool sayings and/or good messages on them. That obsession lasted throughout high school and many of those shirts I wore, started conversations or grabbed the attention of those around me.

My desire with our original Self-Evident shirt along with all of our new product is to give a message that will grab peoples attention as well as help people start conversations. *Our society is incredibly visual*, and most marketing is accomplished through what we see with our eyes. Our heart is to take that avenue and use it for the glory of God, for the preservation of American freedom, and to set people free.

### We are currently working on:

- \* **Designing hats**
- \* **T-shirts**
- \* **Tumblers**
- \* **Creating a new DVD and eventually writing a book.**

# “SO...WHAT ARE THE NEEDS?”

## **\*Operating Budget for the rest of 2017, into 2018**

Our current gap for the rest of 2017 is **\$26,695**. We are almost there!!! But we also want to believe for more! 2018's operating budget will be approximately **\$20,000 more than our current \$89,000 this year.** Please be in prayer and believe with us that God is faithful and will exceed our belief!

## **\*Product Budget for 2018**

Our shirts and DVD's brought us a constant revenue stream at our events. ***We currently DO NOT charge a price on our DVD's*** but rather people donate what they can for them, and it has been a great blessing to us! In retrospect, *we have about a 60% "return on investment" when supporters donate for product.* So with that continuously in mind, we want to expand our product for this who wish to support us in that manner.

### **\*SHIRTS:**

For an order of 300, our shirt costs will be: **\$3700**

### **\*HATS:**

For an order of 300, full embroidery, the cost will be: **\$4050**

**\*Youth initiative; "The Awakening"** - We are asking our supports to come behind us and support this outreach to youth.

**Each school costs roughly \$500**

Individual Youth event sponsorship - \$500

Quarterly Youth Event sponsorship - \$2,500

2018 Youth Event sponsorship - \$10,000
