

SELF-EVIDENT

YEAR-END NEWSLETTER

When I sit back and think about ministry, life, family, bills, friends, struggles, **BILLS**, ups, downs, **BILLS**...😂 there is no way anyone can tell me that God doesn't bless the faithful. **Please allow me to be real and raw for a moment.** After 3+ years of this, there are days that I think, "I can't do this anymore". Too many times, (God forgive me), I've said "I quit", or "that's it! I'm done!!!". Then God does that cool Fatherly thing, where I get "semi-whacked" in the back of the head 😂 and He tells me, "Son, when have I **EVER** failed you?" **He never has.** I constantly have to remember that he blesses faithfulness, not successes. Do **you** realize that your prayers are SOOO important for me/us/my family in those times of need? **I feel 'em,** I know 'em, and thank GOD I receive 'em! **THIS** brings me JOY, LIFE, and more inner resolve to continue this journey of reaching America and beyond with the Gospel and Liberty.

You know what keeps me going? When I receive a text at 10:30 at night, (7 months after preaching at a Patriot weekend event) asking, “what do I have to do to get saved? Both my wife and I need Jesus, and we thought of asking you...” Things like this puts all those struggles into perspective. We’ve come to the conclusion that it’s not always the perfect vision, the perfect message, or the perfect plan that God uses, sometimes it’s simply being available for Him to use you no matter where you are or what you’re doing.

I’ve met so many people that have seen us on our Youtube, Facebook, and/or Instagram posts, and they always comment on the passion, and love they feel from the issues we speak on. **THIS gives me more vision!** People ask frequently, “what’s the vision for Self-Evident?” I often wonder, why can’t the vision be as simple as, “to reach as

many souls as possible before God calls us home!”? Why does it have to be a cookie cutter answer? I can tell you that 2018’s vision came with many changes such as, the Podcast, (wasn’t in the plan), Pastoring, (DEFINITELY wasn’t in the plan), and being a keynote speaker nationally for Homeschool conventions. But that’s our reality! God definitely expands us and gives us the power to do these things and more!

Why did I write this? To tell you that if this got accomplished without perfectly planing for it - what can God do next year?

You want to know why we need your support?

At the end of every year, we always begin to ask God what He is wanting for the upcoming year, what His heart is for the people He’s called us to reach, etc....and without fail, He has always given us a vision that stretches our faith and also our resources. 2019 is no different. Below is our area of needs and we are asking you to come along side of us and sow into this field, in the manner you feel led to.

Don't we look like a "happy" family???
LOL! 😂

The pulpit they gave me at the Patriot Summit in April. Honored to be the guest Pastor those 3 days!

We have 4 things we are needing support for, for right now and for the coming year.

MERRY CHRISTMAS!!!

•**Travel budget for 2019** - estimating \$5000 per quarter. Much of our General budget gets used up in this area, taking away other resources that will help grow the ministry. This estimate covers our airfare or gas, hotels, meals, etc. for when we are on the road.

•**Hiring part time person** - \$15,000. This person will play a major role for us in 2019. This person will do all of our filming, editing, and graphics as well as smaller tasks like quickbooks, social media, and website updates.

•**Editing computer** - \$1,200 Many of you know that we have started a weekly podcast. Currently, we are editing all our videos, podcasts, and graphics on the same computer Massey uses when he travels. This has made it difficult to get work done when he is on the road doing events and difficult when Massey, Cari, and/or Mike need to work simultaneously.

•**Camera for podcast/filming** - \$2500 - We will be doing a lot more quality filming of our podcast and messages in 2019. Last year, one of our closest supporters donated a professional camera for us to use for filming. Now to accomplish the type of videos, and podcast we are wanting to generate, we will need one more camera.

If you would like to support with a year end contribution to either cover one of these areas or donate towards one of these areas, please either go to our website at theselfevidenttruth.com click on the donate tab, or call Cari at 612-237-6798. Thank you so much for your continued support!
